NOT ALWAYS EPIC

I've made some massive mistakes this week, and some even worse bad choices? How about you?

When God first made people, He made them to be 100% epic, 100% of the time. But I'm not always epic. How about you?

Watch the Altitude Easter session of Altitude Kids. When did humans stop being epic all of the time? Crack the code and write your answer underneath.

Can you remember this?!

ALL OF US HAVE SINNED AND
FALLEN SHORT OF GOD'S
GLORY.

THE ONLY OPTION

Have you ever ran into your house with muddy football boots or wellies on? Draw a picture of what your grown up would look like if you did!

Our homes are supposed to be cosy, warm and safe places to live. If we trample mud in the house, they aren't clean anymore. Our grown up would be upset if we trampled mud in, because they want the place we live to be special for us.

Heaven is like that but x1000! Heaven is where God is King and everything there is perfect. There's no cross words, no sad feelings and nothing to hurt you or even make you bored! Bad choices cant be in Heaven, otherwise it would be spoiled, and no one wants that!

Because we all make bad choices, we cant be best friends with God or be in Heaven with Him. That makes God so, so sad. He would do anything to clean us up so we can be with Him but to do that our bad choices (sin) has to go somewhere. It can't just disappear!

GOD SO LOVED THE WORLD
THAT
HE GAVE
HIS ONLY SON

JOHN 3:16

Remember this!

Do you know what God did to
take our bad choices (sin)
away from us?

BIG SWAP

It was so sad when Jesus died. God knew how sad it would be. He also knew it was the only way to clean us up of our bad choices so that we could be happy forever with Him in Heaven. It was a bit like a BIG swap. The best, most loving perfect One in the world (Jesus) swapped places with all of us who make bad choices, so He got all of our punishment and we got to be God's children!

Have you ever swapped trading cards or collectable toys with friends? Draw your own design on the back of the trading cards below and then cut them out with your parent watching. Maybe you could write on them about God's love and post them to your friends?

I CAN'T WAIT!

One of my favourite ways to have fun at Easter is doing an Easter Egg Hunt! Do you like Easter Eggs? Design your dream Easter Egg below. Would it be made of chocolate or something else?

EGGS-TRA ORDINARY COME BACK

When Jesus died His friends were very sad. How else do you think they felt?

3 days later Jesus came alive again! How do you think they felt then? How would you feel? Do you think you could believe your eyes?!

This is what we celebrate at Easter... God doing the impossible and beating death. That's something only God could make happen! Jesus died so that we wouldn't be punished for our bad choices. He came alive again because nothing can stop God. So, because Jesus swapped places with us, when we choose to trust Him, we can wave goodbye to our bad choices and 100% know that we will God's children forever!! That's the best thing to have a party about ever!

Go on an Easter Egg Hunt!
Every time you find an egg,
remember that God wants

you to find God and ask Him to be your best friend!

STAY HOPEFUL

Sometimes life can feel like there's a lot of difficult things to be brave and do, like staying home when you want to play with friends, or wanting to see your grandparents but choosing to wait for a better time when everyone can be happy and safe. When you feel a bit sad, or you miss the people who you love, remember that God understands and that you can talk with Him about how you feel. It's helpful to remember all the things you are thankful for. Make a list or draw pictures of all the things you are looking forward to doing and thank God that things will be better soon.
